that whereas we were appointed a committee by a Vote of
s.d Town at the annual meeting in april last past to
meet Boston corner people and others concerned to ascertain
the original Boundaries and lines of the original Survey
of the Grant of mt Washington Proprietorship - Pursuant
to said Vote of s.d Town we met Daniel Haywood and Harmon
owen of Boston corner and Duncan McIntire and Stephen
mead of s.d mt Washington and Messrs. Holley and Cossin of
Salisbury at mr Joseph Bettes in s.d Salisbury on the 13th day
of april D 1824 then and there we agreed with the aforesaid
Gentlemen to have mr Charles Hoag of the pine plains in the
State of Newyork, William Burrell of Canaan in the State of
Connecticutt and Capt John Ward of Sheffield in the common-
wealth of massachusetts all Surveyors - To ascertain and
establish the boundaries and lines of s.d proprietorship by
Traversing the several lines as stated in the minutes of
the Grant and to hear all other evidence respecting s.d
Boundaries an article was Drawn Binding each party
to abide the Decision of s.d Surveyors or forfeit five hundred
Dollars we now Introduce the report of the said Surveyors
as may be seen on the next page

We the Subscribers. Charles Hoag of the pine plains in the State of New York William M. Burrel of Canaan in the State of Connecticutt and John Ward of Sheffield in the commonwealth of massachusetts appointed a committee by an agreement or contract dated the 18th day of april 1824 between Isaac Lawson and Jeremiah Dibell as a committee of the town of mount Washington and Daniel Haywood. Harriman owen and Duncan McIntire of Boston Corner and Messrs. Holley and Coffin of Salisbury and Stephen mead of said mount Washington to survey and traverse the lines of the original Grant to the Proprietors of said mount Washington and to ascertain and establish the boundaries of the same do hereby certify that having accepted of said appointment we met the parties to said contract on the 26th day of april 1824 at three oak trees which are the South east corner of said proprietary grant at which place we were furnished with a coppy of the original survey and traverse of said propriety and from thence we proceeded to run and measure the several Courses and distances mentioned in the following survey and have established the several bounds and monuments therein mentioned as being the true boundaries and corners of said Grant. viz. Beginning at the three oak trees in or near the line between the state of connecticutt and commonwealth of massachusetts thence North 2½ East Twenty one chains and fifty links to a heap of stones on a pine Stump on the western shelf of a high mountain — thence North 14½ East one hundred and forty seven chains and fifty links to a heap of Stones side of and at the foot of a ledge of rocks — thence N. 23 east one hundred and Twenty chains to a heap of Stones on a pine Stump of a pine tree and we found the said tree lying by said bounds with ~~notches~~ an ancient marke on the same and the meeting house in said Town of Salisbury Stands South 5° West from the bounds aforesaid thence North 14 West Two hundred and thirty five chains to a large monument of Stones on the north declivity of a mountain called Judg's end and about five chains northerly of a large yellow pine tree — Thence North 8° West Sixty chains to a bounds which is Discribed in the original Survey as being a chesnut tree in which is now Distroyed and the said bounds is on the southeastern side of a piece of wet land in a field owned by samuel Bacon Esqr. of Egremont thence North 17° West ninety three chains and Seventy five links to a heap of Stones round a Black oak stump in a small hollow or flat on the southern declivity of a mountain. Thence North 84 West Sixty five chains to a heap of Stones on the top of a high Barron peak of the Taconnack mountain — Thence South 30 west Thirty three chains and twenty five links to a heap of Stones on a fired oak Stump and on or near the line of the State of New York

thence South 2 D. 30 West three hundred and Seventy five
Chains to a heap of stones on the western declivity of the alum-
der mountain and near a dead chesnut tree with old
markes on the same thence south 8 east two hundred
and eight chains to a large monument of Stones on
the [redacted] western side of the mountain and is in or near the
line of the State of New York and massachusetts and
may be seen from the highway at Boston corner
thence following said State line to the first bounds viz.
the three oak trees first mentioned
And we further Certify that after Surveying the
aforesaid courses and measuring the said several
Distances and during the said survey and mensuration
heard all the testimony and evidences offered to us by the
parties to said contract respecting the lines and bounds of
the said lands and we are of the opinion and do find that
all of the aforesaid bounds excepting the one discribed as
being formerly a chesnut tree in the field of Samuel
Beacon esq! are the ancient boundaries and corners
of said grant and are the same or in the same place
where they were first erected by the committee or
persons who laid out and surveyed the said propriety
at or about the time it was conveyed by the common
wealth of massachusetts to the original proprietors
of the said Town of mount Washington — In witness
whereof we have hereunto set our hands at Sal-
